

Fire Risk Assessment

Course Objectives:

This course is designed to enable you to meet your legal obligations of producing a Fire Risk Assessment for your premises.

It will provide you with the knowledge of the process and supporting guidance to enable you to complete a risk assessment back in the workplace.

Who Should Attend?

Managers, Supervisors, Health and Safety personnel or Fire Marshalls.

Course Content:

At the end of the course, delegates will have covered the following:

- An introduction to the complete Risk Assessment process, in line with current legislation, guidance and best practice
- A risk assessment process that satisfies the expectations of your local Fire and Rescue service
- Knowledge of the competencies required for risk assessors
- A logical step-by-step approach to learning Fire Risk Assessment
- Advice on typical control measures to reduce risks

On completion of the course delegates will receive a Certificate of Attendance.

Duration: 1 Day
