

City & Guilds Approved Centre
New Roads and Street Works Re-Assessment (Operatives)

Course Objectives:

To provide delegates with a refresher in the requirements of the NRSW Act 1991.

Who Should Attend?

Those who are already employed in the highways maintenance and utilities sector who already hold the NRSWA qualification and whose SWQR card requires renewing.

Course Content:

The following activity will take place during this 2 day Re-Assessment:

Day 1:

- Refresher Training on Units 1-6 & 9
- Example Re-Assessment papers

Day 2:

- Assessments on Units 1-6 & 9
- Results
- Opportunity to re-take failed units

Delegates will be required to sit a 30 minute question paper, per unit, and will need to gain an 80% pass mark on each paper in order to achieve re-qualification for each unit.

At the end of Day 2 there will be an opportunity for delegates to re-sit up to 2 units' assessment papers should they fail the required pass mark on their first attempt.

Additional Units:

If you require re-assessment on the following additional units, an extra half day will be required:

- Unit 7 – Reinstatement of hot-lay bituminous materials
- Unit 8 – Reinstatement of concrete slabs

Duration: 2 days
