

City & Guilds New Roads and Street Works
Approved Centre

Course Objectives:

To provide delegates with the skills and knowledge to perform operative & supervisor duties to the City & Guilds standards set in line with the NRSW Act 1991.

Who Should Attend?

Those who are already employed in the highways maintenance and utilities sector who require the skills to carry out excavation and reinstatement work (operatives) or who monitor the work of operatives (supervisors).

Delegates will be required to take theory based assessments along with a practical assessment which will involve being observed on the job.

On passing the award delegates will be issued with a Streetworks Qualifications Register (SQR) card.

Course Content:

Operatives:

- Unit 1 – Location and avoidance of underground apparatus
- Unit 2 – Signing, Lighting & Guarding
